Ultraseal International, Inc.
1100 N. Wilcox Avenue
Los Angeles, California 90038-1515

Dear Liz:

I have used your product in the past and I can tell you for a fact that it works. I have the misfortune to live in Beaumont, Texas, where Hurricane Rita came in and with all the debris, flat tires were the norm. Ultraseal was a lifesaver! I ordered some from you and you were kind enough to provide me with an extra order at no charge and lucky for me I had it.

Thanks so much!
