attn: Jon Rubo

Dear Jon,

Detroit Recycling processes over one million scrap tires annually. During the operation our mobile equipment is exposed to bead wire making flat tires a major problem.

We were averaging 20 flats per week. Since we began using ULTRASEAL in early 1997, flats have been reduced by 90%. In fact, ULTRASEAL paid for itself in the first month.

We are believers and strongly recommend it's use!

Sincerely,

A handwritten signature in black ink, appearing to read 'Frank J. Mangiapane'.

Frank J. Mangiapane
